STAT	Security Subcommittee staff, regarding Mr. Warner's conversation with him on Friday with respect to the Subcommittee's letter to Secretary Ruck. See Journal of 17 February 1765. Sourwine said he had talked with Chairman Eastland and that he was agreeable to making the deletions we wanted made in the Subcommittee's letter. He said he assumed we were not acting on behalf of the State Department and, therefore, wanted deleted from the record only those items which were troublesom to the Agency. He said the information which will be requested will be that which pertains purely to the State Department. He added that until the letter is redrafted to our actinfaction, it will not be dispatched. The letter is now being rewritten and will be shown to us before it is put in final form. With respect to the Subcommittee's interest in Searwine said for. Tarabachie's report had been received	
	and the Subcommittee did wish to have appear, preferably in open STA section but under such arrangements as we might wish. He said this could be done here or in Florida whichever we preferred. He said Tarabachia's report would be made available for our inspection and communical that only one item in the report concerned him quoted Fidel Castro, STA having received a congratulatory telegram from Thrushchev (presumably	
	to be friendly." Sourwine thought this out of observator for Contractor	Т.
STAT	nemmed we would want this excluded from any testimony which STA might give appearance in open section will be cleared with the Director before any final arrangements are made.	Т
STAT	the Committee a draft reconcernations concerning the Agency retirement regulations and a biographic sketch which had been requested from Mr. Warner.	
STAT	Received a request from Mr. John Sullivan, Administrative Assistant to Senster Daniel Brewster, to arrange an interview for a possible JOT annihisant who will be in town inter this week, a	·Τ
